TEMPE**THE IDEAL WEATHER PROVES HEALTHFUL**

And Tempe Folks Are Again Able to Live Outdoors—The Week's Temperatures

Another week of such ideal weather as has prevailed during the past ten days and everybody in Tempe will be feeling young again. Colds, contracted during the bad weather of the holidays, have been fast disappearing and Tempe as a health resort has again "come into its own." There has been sufficient "nippiness" in the atmosphere to prevent trees prematurely budding, at the same time it has been warm enough to live outdoors. The report of the United States weather observatory located here shows the following temperatures for the past week:

	Max	Min.
Jan. 4	73	41
Jan. 5	64	32
Jan. 6	64	30
Jan. 7	64	37
Jan. 8	64	27
Jan. 9	63	28
Jan. 10	67	33
Jan. 11	68	27

Quite a party of Mesquites motored over from the Gem city Sunday and attended services at the Christian church, the pastor of which was formerly pastor of the Mesa church. AFTER VAGRANTS

Marshal Browning is after vagrants and intends to rid the city of Tempe of the idlers who have nothing but time to dispose of. There has been quite a large number of these transient visitors here lately and the marshal has decided to permit them to leave town, or else find some more definite work to do. Quite a few people complain about the many tramps that apply for meals, etc., at their doors. This is to cease, the marshal says.

Williamson, who is the next in the lyceum series at the normal, will give an illustrated lecture on the Grand Canyon of Arizona, Friday night at 8:15 o'clock, in the auditorium of the normal. SEMI-MONTHLY CONCERTS

On account of the flattering attendance and the indisputable popularity with which the Tempe Merchants' band has been received on Sunday afternoons, the band has decided to have semi-monthly special concerts. Judge Austin will immediately commence the work of assessment and is desirous that every citizen in the district come in at once and declare his property.

WORK TO BEGIN

On account of the weight of the ditching machine, which tips the scales at some twenty-seven tons, some little delay has been occasioned in getting the ditcher out of the soft ground and it will be another day before it will be placed and at work digging sewer ditches. However the city engineers have been busy placing grades and getting everything lined up for the active construction work.

GRANDMA USED SAGE TEA TO DARKEN HAIR

She made up a mixture of Sage Tea and Sulphur to bring back color, gloss, thickness

Common garden sage brewed into a heavy tea with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

A SKIN OF BEAUTY IS A JOY FOREVER

Dr. T. FELIX GOURAUD'S Oriental Cream OR MAGICAL BEAUTIFIER

Removes Tan, Pimples, Freckles, Moth Patches, Rash and Skin Diseases, and every blemish on beauty, and does so without the use of harsh chemicals. It has stood the test of 60 years, and is so harmless we take it to be sure it is properly made. Accept no counterfeits of similar name. Dr. T. A. Sayre writes to a lady of the hauton (a patient): "As you ladies will use it, I recommend 'Gouraud's Cream' as the least harmful of all the skin preparations at drug stores and department stores." Dr. T. H. Hopkins & Son, Props., 37 Great Jones St., N.Y.C.

MESA**MESA'S MARRIAGE MYSTERY SOLVED AFTER TEN DAYS**

George Henry Todt and Mabel Aelia Pomeroy "Sentenced for Life" By Judge R. A. Kingsbury

It was announced Sunday evening that George Henry Todt and Miss Mabel Pomeroy had been united in marriage on New Years morning by Justice Kingsbury at his office in the Chandler court and that Mr. and Mrs. C. S. Dingle were the only witnesses to the sacred ceremony.

The marriage was the first "sentence" imposed by Judge Kingsbury after being sworn into office, and a similar act was the first official one of Judge Irwin whom Judge Kingsbury succeeded.

Mrs. Todt is the daughter of Mr. and Mrs. T. E. Pomeroy and comes from one of the oldest families of the Mesa section. She has grown to womanhood in Mesa, where she has a large number of friends and acquaintances who are showering her with heartfelt congratulations and very best wishes. Possibly no greater compliment could be paid to Mrs. Todt than that she possesses the record seldom accorded to women, for ten days keeping closely concealed the great secret of the marriage.

Mr. Todt is a native of Michigan and for the past ten years has occupied a position of trust and responsibility with the reclamation service in the transmission of the department. He is a young man of integrity and worth and is prominent in social circles. He is a former member of the Gastronomic Ginks.

Under the most direct questioning he has contended that he had no idea who could have been married within the past few days and by his actions and general demeanor has won for himself the admiration of his curious friends.

C. T. WASHBURN ILL

C. T. Washburn, who recently became part owner of the A. & B. Grocery company, was taken suddenly ill Sunday morning with an attack of appendicitis and is confined to his home on South MacDonald street.

DESERT PICNICKERS

A party of picnickers visited the Rosemore mine Sunday, thirty miles southeast of Mesa, where lunch was enjoyed. Those from Mesa who made the trip were: Mr. and Mrs. L. H. North, Mr. and Mrs. Albert North, Mr. and Mrs. R. E. Steele, Mr. and Mrs. Edward Pattee and son Harold and A. N. Smith and Phil Champagne.

NO PARTNERSHIP EXISTS

Martin H. Pomeroy, who has recently opened up a pool hall in the building formerly occupied by the Jonathan club, desires to correct the impression that he is in any way connected in a partnership with anyone. The statement was inadvertently made that he was to be assisted by Al Comer. Mr. Pomeroy states that he expects to conduct the business alone.

BIRTH OF SON

Born to Mr. and Mrs. Angus Johnson, Sunday morning, at the South-side hospital, a son.

HORTICULTURAL MEETING

W. K. Bowen left Mesa yesterday evening for Tucson where he will attend a meeting of the state horticultural board of which he is a member. The meeting has been called for today.

LEFT FOR EASTERN MARKETS Jess K. Sims, in charge of the dry goods department of the Lescuyer-Spilsbury company, left Mesa yesterday evening for Chicago and New York, where he will make the purchases for the store for the coming season.

SURPRISE FOR METHODISTS

The local paper gave the members of the Methodist church a genuine surprise Saturday evening by announcing a kitchen shower to take place this evening. The paper announces that the shower will be for the purpose of supplying the basement with all kinds of cooking utensils and that donations of useful kitchen articles of any kind will be thankfully received. The pastor of the church as well as members of the congregation knew nothing of the happy event that is to take place and were very much surprised upon receiving the advance information that such a scheme was to be pulled off.
